Partnership Opportunities

At a time when survivors face increasing obstacles to safety and stability, CHANA's mission is more vital than ever. The demand for our services remains exceptionally high, driven by rising housing costs, inflation, limited shelter capacity, and diminishing public resources. These challenges force many survivors to make the difficult decision between remaining in unsafe environments or risking access to basic human needs. Consequently, there is a growing need for intensive advocacy, safety planning, emergency shelter and financial support to help survivors achieve lasting safety and independence.

In recognition of Domestic Violence Awareness Month, CHANA is proud to host its 8th annual fundraising and outreach event, **VOICES: The Passion of Experts • The Power of Community • The Promise of Hope**. This year's event will offer an inside look at a "day in the life of CHANA," showcasing the breadth of our services and the critical support survivors require to rebuild their lives.

VOICES will be held at Beth El Congregation on October 21, 2026 beginning at 6:00 p.m. with an elegant cocktail reception. Tickets to the event are \$180 and \$72 for guests under 30.

Supporting Our Community

CHANA offers a Jewish community response to the needs of persons who experience abuse and other forms of interpersonal trauma. In providing crisis intervention, education, and consultation, CHANA advocates for community awareness, safety, and healing.

Domestic violence impacts 1 in 2 women and 2 in 5 men in their lifetime. It is a crisis that does not discriminate, it affects people of every background, age, race, and income level. CHANA's trauma-informed approach takes into account the profound and lasting impact that abuse can have on every aspect of a survivor's life. Advocates are trained to understand the complex emotional, cultural, financial, and practical barriers survivors face and to respond with compassion, dignity, and individualized support.

CHANA stands as a beacon of hope for victims and survivors in our community, offering free, comprehensive support.

Your sponsorship enables CHANA to provide immediate, crisis intervention services to each and every caller, including:

- Individual supportive counseling
